RE: Compliance eBlast: RxDC Submission 2024 Deadline Reminder

Health Plans, Inc. (HPI) is issuing this Compliance *eBlast* to remind you of HPI's Prescription Drug Data Collection (RxDC) Reporting process for 2024 as set forth in our March 6, 2024 *e-Blast* found [here](#). **If you have already returned the survey, thank you, but if you have not we are just reminding you that the deadline is fast approaching** -- all clients for whom HPI administered their medical benefit plans in calendar year 2023 must complete and return the attached RxDC Data Collection Survey to RegulatoryReporting@healthplansinc.com **no later than April 15, 2024**.

Please note this survey includes the option for you to opt in and provide the needed data for HPI to submit the D1 Premium and Life Years on your behalf. **If you do not opt in for HPI to produce and submit the D1 Premium and Life Years files, you will need to submit the D1 (Premium and Life Years) file directly to CMS.**

For best service, please contact your HPI Account Service Team directly if you have any questions. Please return the RxDC Data Collection Survey to RegulatoryReporting@healthplansinc.com.
